"When new labels are printed, the name and address of the importer/ bottler must be changed to read exactly the same as the name or trade name on the basic permit. See 27 CFR 5.66, 27 CFR 5.67, & 27 CFR 5.68" (The DBA in the name/address section of the eApp is "Hook Hand" alone which conflicts with the DBA shown in the bottler's statement at the bottom center of the back label "Hook Hand Rum". The blank space on the label may only be replaced with items outlined in the list of Allowable Revisions. (Bottom center of back label)

His friends knew him as Bartholomew Scott.

Those who feared him knew him as Hook Hand. He spent his life sailing the world, looking for and stealing the best rum. Over the years, Hook Hand hid his best bottles in unknown locales, only to be lost and forgotten. Until his captain's log was found in a dusty old smuggler's den. We have found Hook Hand's stash and would love to share it with you. Hook Hand Flavored Rum is handcrafted with hints of blood orange and Madagascar vanilla. Enjoy it on the rocks or with your favorite soda.

Like he always said, "find my treasure and you will let my spirit live on...and a dram of rum and good company is where tales are born."
